

**MF GLOBAL INC.**

In Liquidation

December 2, 2011

TO ALL PERSONS ASSERTING CLAIMS AS COMMODITY FUTURES CUSTOMERS OF MF GLOBAL INC.:

Enclosed are a commodity futures customer claim form, and commodity futures customer claim form instructions. You will receive a separate commodity futures customer claim form packet for each commodity futures account you have with MF Global Inc. (the “Debtor”), as identified from MF Global Inc.’s books and records. If you also have one or more securities accounts with the Debtor, you also will receive a separate claim packet for filing a securities customer claim for each such account. Should you require additional or different forms, all claim forms are available at the Trustee’s website, [www.mfglobaltrustee.com](http://www.mfglobaltrustee.com).

You are urged to read these and the other enclosed documents carefully. They explain steps to protect any rights and claims you may have in this liquidation proceeding.

You may have received open commodity positions and/or cash or cash equivalents through court-authorized bulk transfers resulting from the efforts of the Trustee, the Securities Investor Protection Corporation, the Securities Exchange Commission, the Commodity Futures Trading Commission, and numerous derivatives clearing organizations, including the Chicago Mercantile Exchange. Regardless of any transfer of any portion of your account, if the Debtor still owes you cash or other property from one or more commodity futures customer accounts, and you wish to claim it, you must fill out a commodity futures customer claim form for each separate commodity futures account that you are claiming. All claims must be filed with the Trustee electronically online at [www.mfglobaltrustee.com](http://www.mfglobaltrustee.com), OR sent to the Trustee via certified mail, return receipt requested, to one of the following addresses:

*If by first class mail:*

MF Global Inc. Claims Processing Center  
c/o Epiq Bankruptcy Solutions, LLC  
P.O. Box 3656  
Portland, OR 97208-3656

*If by overnight mail:*

MF Global Inc. Claims Processing Center  
c/o Epiq Bankruptcy Solutions, LLC  
10300 SW Allen Blvd.  
Beaverton, OR 97005

A return envelope for the completed claim form(s) is enclosed. Please make a copy of your claim form(s) for your own records before mailing.

Your claim(s) will not be deemed to be filed until received by the Trustee. If you submit your claim(s) by mail, it is strongly recommended that your claim(s) be mailed via certified mail, return receipt requested. Your return receipt will be the only document you will receive that shows your claim has been received by the Trustee. Claims that are filed electronically must be received by 11:59 p.m. (Prevailing Eastern Time) on the bar date to be considered timely.

If, at any time, you complained in writing about the handling of your commodity futures account(s) to any person or entity or regulatory authority, and the complaint relates to the cash, securities or other property that you are now seeking, please provide with your claim copies of the complaint and all related correspondence, as well as copies of any replies that you received.

While your claim is being processed, if your claim is not properly completed or the Trustee requires additional information in order to process your claim, the Trustee may contact you by telephone or email and may send you a deficiency letter to request that you file additional information or documents to support the validity of your claim. Failure to respond to a deficiency letter within thirty days of its receipt may result in the denial of your claim.

It is your responsibility to report accurately all positions and money balances in connection with your commodity futures account(s) with the Debtor. A false claim or the retention of property to which you are not entitled may make you liable for damages and criminal penalties. If you cannot precisely calculate the amount of your claim, however, you may file an estimated claim.

One of the purposes of the liquidation is to satisfy commodity futures customer claims as promptly as practicable. **Your commodity futures customer claim form must be received by the Trustee on or before January 31, 2012, or it will be barred (unless extended, for good cause only). The January 31, 2012 deadline for filing a commodity futures customer claim cannot be extended beyond June 2, 2012, even for good cause. If received by the Trustee after January 31, 2012, but on or before June 2, 2012, a commodity futures customer claim may be afforded general creditor status.** Commodity futures customer claims are not eligible for Securities Investor Protection Corporation advances.

Your cooperation in promptly returning the appropriate completed commodity futures customer claim form to the Trustee is in your best interest as it will help speed the administration of the liquidation proceeding.

Very truly yours,

---

James W. Giddens

Trustee for the SIPA Liquidation of  
MF Global Inc.

**INSTRUCTIONS FOR COMPLETING THE COMMODITY FUTURES  
CUSTOMER CLAIM FORM**

**PLEASE READ CAREFULLY**

**IF YOUR CLAIM IS NOT BASED ON A COMMODITY FUTURES ACCOUNT YOU  
DO NOT NEED TO FOLLOW THESE INSTRUCTIONS OR COMPLETE A  
COMMODITY FUTURES CUSTOMER CLAIM FORM**

These instructions are to help you complete the enclosed commodity futures customer claim form. If you believe that MF Global Inc. (“MFGI”) owes you cash or other property that you wish to claim, the Trustee must receive your claim on or before the date specified on the claim form. Even if part of your commodity futures account(s) has been transferred to one or more transferee futures commission merchants, you must timely submit a claim in order to claim cash or other property that you believe MFGI still owes you. If you submit an improperly completed claim form or do not provide sufficient information to support your claim, the Trustee may send you a deficiency letter, indicating what additional information is required to process your claim. Failure to timely respond and provide sufficient information may result in a delay in satisfaction of your claim or its disallowance. In addition to the specific items and information sought in the enclosed commodity futures customer claim form, you should provide further explanation and detail regarding your claim and your account, as necessary, to aid the Trustee in the prompt satisfaction of your claim.

**Item I** seeks a statement of the total amount of cash, cash equivalents, or other property (including margin) and open trade equity in your commodity futures account on October 31, 2011. If you cannot precisely calculate the amount, you may provide an estimate. In that case, please be sure to indicate that you are providing an estimate. Item (I.A) seeks a break down of the total amount of (i) cash, cash equivalents, or other property (including margin) and (ii) open trade equity in your account. Item (I.B) seeks the amount of open trade equity and cash, cash equivalents, or other property (including margin) related to Foreign Futures (*i.e.*, futures or options on futures traded on an exchange located outside of the United States).

**Item II** seeks details about any activity, either initiated by you or otherwise, affecting your commodity futures account on or after October 31, 2011.

**Item III** seeks details about your commodity futures account. Please indicate the type of account you hold, the capacity in which you hold the account, whether the account is held by an MFGI “insider,” “affiliate,” or “relative,” whether the account is a discretionary account, whether the account is a joint account, whether you have any related accounts, and, if your claim is based on securities futures products, whether these are held in a futures account or a securities account.

**Item IV** seeks additional details about your commodity futures claim. Please indicate whether MFGI has any claims against you, not included in your statement of account balance, provided in Item I. If the total amount you provided in Item I for your statement of account balance includes any cash, cash equivalents or other property, provide detail about such cash, cash equivalents or other property. Please also indicate, if you are claiming securities, whether

you wish to receive payment in kind, to the extent possible. Please note that Item IV seeks information about “specifically identifiable property,” as defined in the Commodity Futures Trading Commission Part 190 Rules. **Even if you have previously provided information to the Trustee regarding your “specifically identifiable property” you should nevertheless provide information about such property when completing and submitting your claim here.** Full and complete information about your account will assist the Trustee in promptly satisfying your claim.

- If you cannot compute the amount of your claim, you may file an estimated claim. In that case, please be sure to indicate that your claim is an estimated claim.
- Proper documentation can speed the review, allowance, and satisfaction of your claim.
- Please enclose: copies (not originals) of any documentation or correspondence you believe will be of assistance in processing your claim, including, but not limited to, customer confirmations, account statements, and statements of purchase or sale.
- If, at any time, you complained in writing about the handling of your commodity futures account to any person or entity or regulatory authority, and the complaint relates to the cash or other property that you are now seeking, please be sure to provide with your claim copies of the complaint and all related correspondence, as well as copies of any replies that you received.
- A separate claim form must be filed for each account. If your account is a “master account” consisting of sub-accounts, you should claim the sub-accounts on a consolidated basis, and submit one claim form for the “master account,” but note the existence of the sub-accounts in the information regarding “related accounts” in Item (III.F).

### **When To File**

The deadline for filing commodity futures customer claims is January 31, 2012. If your commodity futures customer claim(s) is not received by the Trustee on or before January 31, 2012, your claim(s) will be barred (unless extended, for good cause only). The January 31, 2012 deadline for filing a commodity futures customer claim cannot be extended beyond June 2, 2012, even for good cause. **The law governing this proceeding absolutely bars the allowance of any claim, including a commodity futures customer claim, not actually received by the Trustee on or before June 2, 2012. Neither the Trustee nor the Securities Investor Protection Corporation has authority to grant extensions of the June 2, 2012 bar date for filing of claims, regardless of the reason.**

Please file well in advance so that there will be time to refile if, for instance, your claim is lost in the mail. Claims that are filed electronically must be received by 11:59 p.m. (Prevailing Eastern Time) on the bar date to be considered timely.

**Where To File**

The completed and signed claim form, together with supporting documents must be filed with the Trustee electronically online at [www.mfglobaltrustee.com](http://www.mfglobaltrustee.com), or be mailed **promptly** in the enclosed envelope to:
